There are seven superb operas in our 2010/11 season at the Theatre Royal Nottingham, all of which offer the unique excitement that comes only from experiencing opera live.

The best way of sharing the experience is by choosing one of our season ticket packages. Each has been designed to make it as easy as possible for you to join us as often as you'd like in the year ahead. Packages range from three operas through to all seven. The more you see, the more you save, and the better your choice of seats.
